VISION

CODE OF CONDUCT

Membership Form

because together we can...

NWO has embraced the Concept of human sense for well being of the people. This vision forms the basis for an overall framework of profound reforms for sustainable development in social, cultural and economic fields.

MISSION

NWO has the mission to achieve individual and organizational excellence through meaningful development at local as well as national level.

- All office bearers and members should be given high priority to social development activities.
- Professional ethics and behavior should be given high priority.
- Every member should work relentlessly and in a creative manner towards the organizational development.
- Members may express their opinion without causing harm to the main objectives of the organization.
- No member should take any financial help to fulfill personal motives on pretext of running the organization, from direct contact or coordination with any person.
- No campaigning of political party/group or thoughts, or attempts of political influence on others in institutionalized way is allowed.
- Discrimination or partiality on the basis of caste, ethnicity, religion, gender or regionalism is not allowed.
- Helping attitude should be adopted towards children, women, disabled, elderly and socially downtrodeden group of the target population in the working area.
- In times of natural calamities and crisis situation in the targeted working area, immediate relief should be provided as far as the resources can cover.
- Matters in the interest of general public should be protected and preserved.
- The service-oriented local organizations or people active within the working area should be co-operated.
